From: Daniel Marcus, General Counsel

Subj: Most Important Overdue Documents

As a follow-up to the letter to Secretary Mineta dated August 19, 2003, here are the most important categories of documents requested by the Commission that are overdue:

DOT Document Request No. 2 - Items 21 and 22, and tapes and transcripts from the Herndon ATCSCC

We look forward to the Department's prompt production of these overdue items, as well as positions on access to all of the documents responsive to all of our outstanding requests, as set forth in the August 19 letter. If you have any questions, please give me a call.
